HOW WAS YOUR DAY

CONVERSATION

Renata: Hey! How was your day?

Flávio: Hmm... kind of a mixed bag. Work was frustrating—so many emails!

Renata: Ugh, I hate emails. Did you do anything fun?

Flávio: Yeah, actually. I went to that little Italian spot I love for lunch with some coworkers. It was really fun.

Renata: Nice! How about the rest of the day?

Flávio: The afternoon meetings were boring, but I got through them.

Renata: Sounds like a challenging day. But hey — at least you had a good lunch.

Flávio: True. Not amazing, not terrible. Just one of those regular days.
