COMPARING

CONVERSATION

Camila: Hey Gabriel, check out these jackets.

Gabriel: Oh, that red one looks really cool.

Camila: Yeah, I like it, but this blue one feels more comfortable.

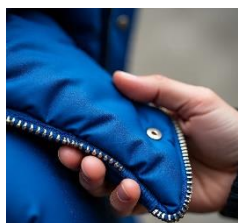

Gabriel: True. That black one though... I saw that style on TikTok yesterday. Definitely trendier.

Camila: Haha, I know! Everyone's wearing something like that now.

Gabriel: But it's also more expensive, right?

Camila: Yep... and I'm not sure it's worth it.

Gabriel: Hmm, maybe the blue one is the best choice. It's cheaper than the black jacket and still looks good.

Camila: Yeah, and it seems more durable—the fabric feels thicker, and the stitching looks strong.

Gabriel: Looks like you've made up your mind. That one's perfect!
