CONVERSATION

Jamie: Hey! You must be Alex — first day, huh?

Alex: Yeah... hey! A bit nervous, to be honest.

Jamie: Totally normal. You'll be fine. I'm Jamie, by the way — floor manager here. Come on, I'll give you the tour.

So first thing, you have to clock in here at the front desk with your timecard — that records your hours.

Alex: Got it. So...do I have to put on my uniform and ID badge before I clock in?

Jamie: Nope — clock in first, then go to the locker room. Follow me.

Here we are. You'll have a locker for yourself, where you can keep your uniform and safety gear. Oh, you have to wear your ID badge at all times while you're in the building.

Alex: Cool... oh, do I have to wear safety gear all the time too?

Jamie: Just in the warehouse. You can't go in there without it, but other areas are fine.

Alex: Got it, makes sense.

Jamie: You can have some coffee, tea, snacks, whatever you need in break room, which is right over there. Just make sure you eat in there, not outside. You can't eat out of there!

Alex: Nice... oh, I usually drive here—where do I park?

Jamie: The parking lot is just outside.
