WORK TASKS

CONVERSATION

Manager: Hi, how did today go?

Employee: It went pretty well. Most of the tasks are finished.

Manager: Good to hear. Did anything take longer than you expected?

Employee: Yes, some tasks took more time, so a few deadlines are a bit tight.

Manager: Okay. Are the important tasks done?

Employee: Yes, all of the priorities are done. Only smaller ones are left.

Manager: Great. Is there any issue I should know about?

Employee: Not really. A few requests are still open, but most of them are already handled.

Manager: Alright. Please keep an eye on the deadlines.

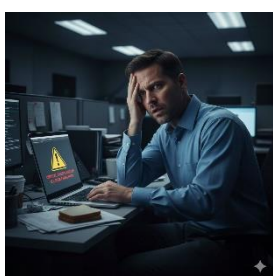

Employee: Sure. I'll update you later if anything changes.
