CONVERSATION

Sofia: Hey! Good morning! This is Max.

Groomer: Morning! Oh wow, what a cutie. Hi, little boy!

Sofia: He's a bit nervous; it's his first time here.

Groomer: No worries! We'll get him looking great.

Sofia: Can I stay with him while he gets groomed?

Groomer: Sorry, owners can't be in the grooming area. But don't worry, he's in good hands. He's so at ease.

Sofia: Oh... okay, I just worry he'll be scared.

Groomer: I Totally get it. But most pups chill out once they realize it's safe. Heads-up, though—he'll need a muzzle while we trim, just to play it safe.

Sofia: Oh really? He's never worn one before.

Groomer: Yeah, it's a bit awkward at first, but no big deal. It just keeps everyone safe.

Sofia: Alright, buddy... it's just for a bit.

Groomer: Perfect. And about his toy—he can't have it in the bath, it just turns into a soggy mess.

Sofia: Makes sense. He has to put up with it.

Groomer: And once he's done, he has to stay on the leash until he's fully dry—keeps him safe and prevents him from slipping around.

Sofia: Poor Max, so many rules!

Groomer: Haha, yeah... but he'll be fine. Once he's dry, there's a little play area where he can run and hang out with other dogs.

Sofia: Thanks, I feel better off now. Max, be good, buddy!
