CONVERSATION

Caio: Hey, there! Please tell me you can fix this today.

Clerk: Uh... maybe. What happened?

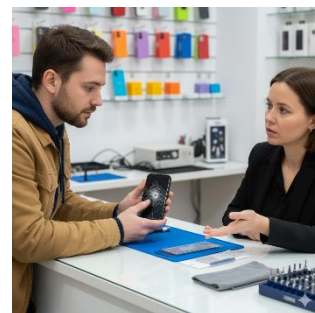

Caio: I dropped it. Twice. Don't ask me how it happened twice. I need to get my phone screen replaced.

Clerk: That's... pretty bad.

Caio: Yeah, pretty much. Also—before you say anything—yes, I do want a screen protector put on this time. How long will it take?

Clerk: If you leave it here now, I can get it done in about an hour.

Caio: Perfect. That works for me.

Lia: What time are you getting here?

Bruno: After I get my car checked.

Lia: Today?

Bruno: Yeah. It started making that noise again. I'm not waiting here though.

Lia: Alright.

Bruno: I'm going to the barber right after to get my hair cut. I'm trying to get everything done before the weekend.

Lia: Same here. I'm getting my hair dyed tomorrow—weekends are always packed, and it takes forever.

Bruno: Exactly.
