

UNIT 81

STARTING OVER

CONVERSATION

Lucas: So, how's the new place?

Marina: Nice, but much quieter than I expected. I'm still getting used to living alone.

Lucas: You had roommates before, right?

Marina: Yeah. I was used to having people around all the time.

Lucas: That must be a big adjustment.

Marina: It is. I'm starting from scratch in a new neighborhood, so I'm trying to settle into a new routine.

Lucas: Have you met anyone yet?

Marina: A couple of people, but building a new social circle takes time.

Lucas: It'll get easier once you settle in.

Marina: I know. I guess I just have to give it time.
