

**LISTENING
#34****Teacher's Guide****SCRIPT: GROCERY SHOPPING**

Man: Hey. Can you give me a hand with the groceries? And I told you I could do the shopping.

Woman: Wow! Do we really need all this stuff? Let me see that receipt.

Man: Hey, I only bought the essentials.

Woman: Okay. Let's see. Dog food. Twenty-four dollars and seventy cents (\$24.70)? We don't even have a dog!

Man: Well, it WAS going to be a surprise, but look in the back of the truck.

Woman: What?

Man: Ah, ha, hah. Speechless. I knew you'd love him.

Woman: That thing? That dog's as big as a horse. He probably eats like one, too.

Man: Ah, but he's sure friendly. And someone was giving him away at the supermarket, and I . . . I . . . I couldn't let that poor thing pass another day without a loving home.

Woman: Whatever. Where was I? Eighteen dollars and nineteen cents (\$18.19) for twenty-four cans of tomato juice? You don't even like that stuff!

Man: Ahhhh. Not yet. I've decided to change my eating habits.

Woman: Right.

Man: You'll, you'll see, you'll see.

Woman: Okay. Let's see. Three eighty-four (\$3.84) for a box of chocolate cookies and twelve fifty-six (\$12.56) for a case of soft drinks. [Yeah!] Changing your eating habits, huh? Do you really think that cookies are some type of diet food?

Man: Hey, I'll just eat a cookie or two every other hour. In fact, they're a great source of carbohydrates for energy. And, you see, the tomato juice and cookies kind of, you know, cancel each other out.

Woman: Oh brother. [I] can't believe what I'm hearing. Let's see. Where was I? A carton of eggs, two fifty (\$2.50) for a gallon of milk, three cans of tuna. Okay. [Yeah.] And finally two steaks for eight fourteen (\$8.14). Now, something worth enjoying. I'll get the grill started.

Man: Oh, we . . . w . . . well. The steaks are for Herbert.

Woman: Herbert. Who's Herbert?

Man: Uh, he's the dog. [No!] You, you, you see, the previous owner said that he's kind of . . . he's somewhat picky about what he eats, [No!] and the steaks might help him adjust to his li . . . [Absolutely not!] no, no, no, and the steaks might help him adjust to his new home. Hey, what are you doing? Oh, no. Why did you throw the steaks out on the ground outside?

Woman: Well, now, you and Herbert can get to know each other better. I'm going out to eat by myself.

Man: Ugh.

Audio Comprehension Questions:

1. Carrying the groceries
2. c) They do not have a dog
3. c) In the back of the truck
4. He wants to change his eating habits

Idioms/Useful Expressions

“Giving him away” = offering something for free to another person

The man says: “Someone was giving him away at the supermarket.”

“Cancel each other out” = balance each other so that neither has an effect

The man says: “The tomato juice and cookies kind of cancel each other out.”

“buy into” = believe an idea

“Unfortunately, a lot of young people buy into the idea that they have to wear expensive clothes to be popular.”

“eat your words” = admit that you are wrong

“My roommate said I couldn’t cook, but now he’ll have to eat his words because I made this complete dinner by myself.”
